) NOTICE OF MOTION TO ENFORCE
) SETTLEMENT MADE OF RECORD

PLEASE TAKE NOTICE that plaintiff P3 International Corp. hereby moves this Court for entry of a settlement judgment and order of dismissal effecting the settlement reached by the parties at a settlement conference held before Magistrate Judge Maas on June 22, 2012, and placed on the record at the conclusion of that conference.

This motion is based on the transcript of the proceedings in this action of June 22, 2012 (Doc. 23), the declaration of Shawn Herzinger, and the memorandum in support of this motion.

The grounds for this motion are that the parties agreed to the terms of settling this action and placed those terms on the record in open court but, after extensive discussions between the parties in an effort to reduce their settlement to a written agreement, defendants have now changed their minds and seek to back out of the obligations to which they agreed and are bound.
